PRESIDENT'S MESSAGE

As I write this message, I'm reminded of how quickly the world around us changes and how, through it all, our commitment to exceptional care remains steadfast.

If the past year were a story, it would be filled with chapters of growth, collaboration, and community impact that have made us proud and excited for what lies ahead.

One of the biggest headlines of our year was the merger with WellSpan Health. It was like finding the perfect dance partner—our shared mission, vision, and values made this partnership a natural fit.

Together, we've expanded our reach and resources, allowing us to enhance the care we provide across 12 counties. We're thrilled about the opportunities this collaboration brings and the additional ways we can support your health and wellness.

This year, we also celebrated a significant achievement with our DNV Orthopedic Center of Excellence Designation. It's like receiving a gold star for our orthopedic care—proof that our dedication to quality and innovation truly stands out.

It's a testament to the hard work of our incredible team and our commitment to offering top-notch care to our community.

Our growth wasn't just about big milestones; it was also about thoughtful expansions. We opened several new outpatient facilities, each designed with the goal of bringing exceptional care closer to you. These new spaces are not just buildings; they're an investment in your health and comfort, reflecting our ongoing mission to make healthcare accessible and convenient.

We also deepened our roots in the community through our Evangelical Honors the Community event, celebrating the remarkable individuals and organizations that make our region thrive. From recognizing outstanding local volunteers to supporting various causes, our community involvement has never been stronger.

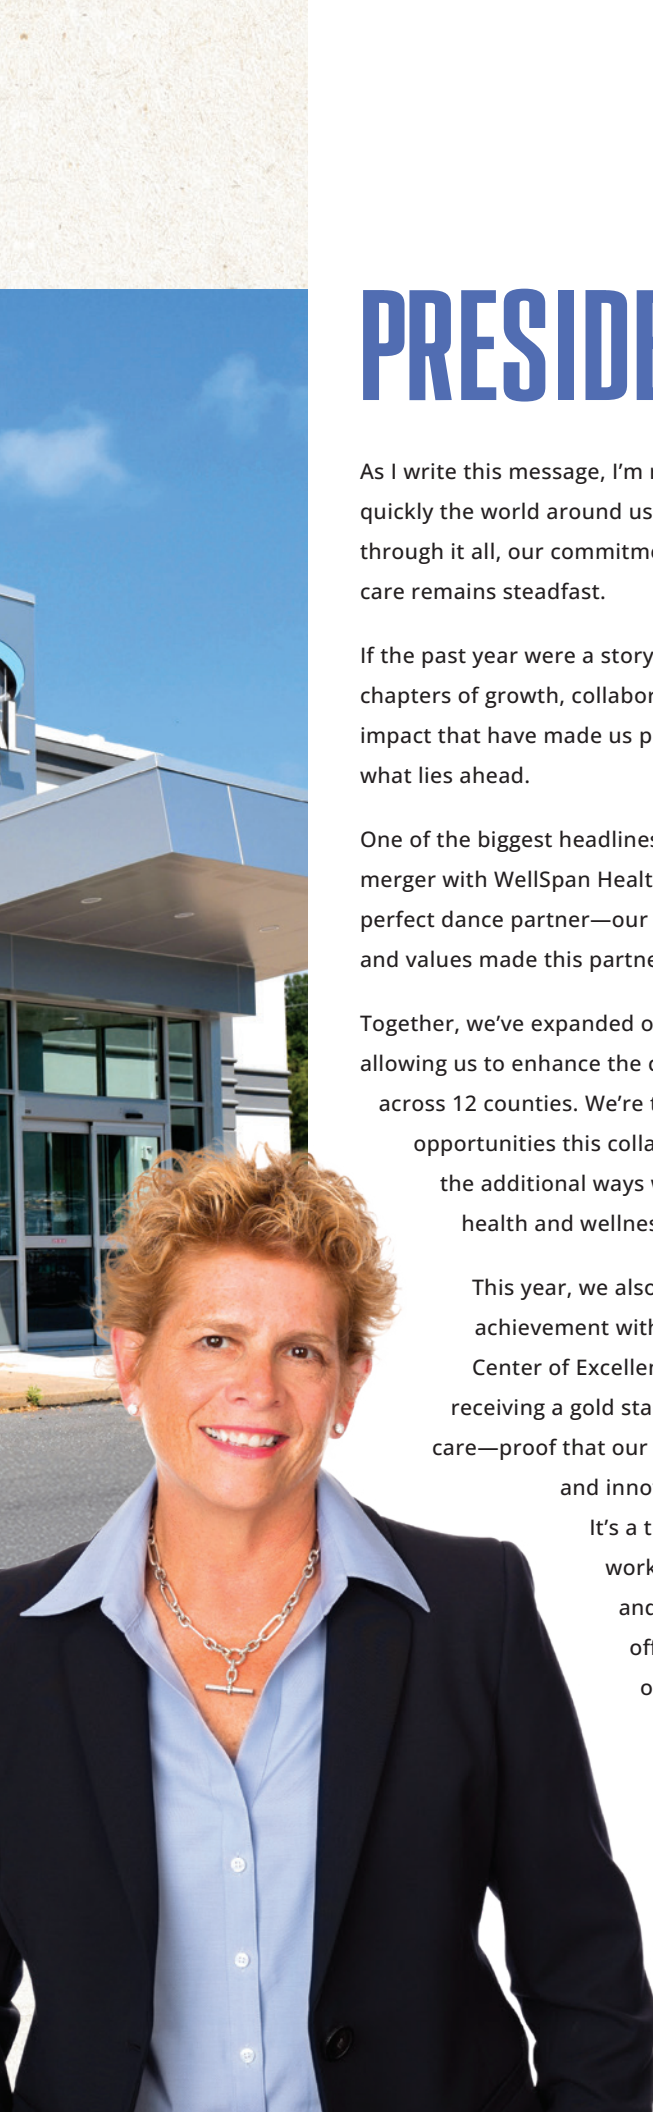

In a move that truly hits close to home, we launched in-house emergency childcare for our working parents. We know that balancing work and family can be challenging, and this new service is our way of making life a little easier for our dedicated staff who are committed to taking care of you every day.

As we reflect on these accomplishments, we are energized and optimistic about the future. Each of these initiatives is a chapter in a larger story of transformation and dedication. Our journey is far from over, and, with your continued support, we look forward to writing many more chapters of success, innovation, and compassionate care.

Thank you for being a vital part of our story. Together, we're not just imagining a brighter future; we're building it.

Senior Vice President, North Region
President, WellSpan Evangelical Community Hospital

WELLSPAN EVANGELICAL

WellSpan Health and Evangelical Community Hospital Combine

On February 26, 2024, WellSpan Health and Evangelical Community Hospital entered into a definitive agreement to enhance community-based healthcare across the region. On July 8, 2024, after regulatory approval, Evangelical Community Hospital officially became WellSpan Evangelical Community Hospital.

Mutually aligned in mission and culture, these community-focused nonprofit health systems joined together to extend high-quality, affordable care across central Pennsylvania.

Evangelical's accompanying network of care serving the Central Susquehanna Valley also joined WellSpan, expanding the combined reach of the organizations across 12 counties in Central Pennsylvania and Northern Maryland.

A shared commitment to reimagining healthcare through exceptional, innovative clinical care, along with WellSpan's successful approach to value and superior outcomes that were affordable and convenient, served as the cornerstones of the affiliation.

"We recognized the shared vision WellSpan had for community-based care, and we were deliberate in the decision to choose a partner who would ensure our patients continued to receive the high-quality

care they had come to expect from Evangelical Community Hospital," said Kendra Aucker, then President and CEO of Evangelical Community Hospital. "The industry faced strong financial and workforce headwinds, and this integration provided the best path forward so we could continue to meet the health and wellness needs of our communities well into the future."

The affiliation joined Evangelical with WellSpan's integrated healthcare delivery system, which included more than 21,000 team members, 2,000 employed providers, 220 locations, and eight award-winning hospitals. This network also featured the region's largest behavioral health network and a Level 1 Trauma Center. WellSpan serves residents in Adams, Cumberland, Lancaster, Lebanon, Franklin, and York counties in Pennsylvania, and Frederick and Washington counties in Maryland.

Combined, the organizations now serve more than 1.3 million patients across 12 counties.

The affiliation supports advanced specialty care, including technology and innovations that revolutionize treatment. Shared digital health innovations and strong graduate medical education resources expand access for the communities across the region.

9

Award-winning hospitals

12

Counties served across PA and MD

“Joining an established and successful health system where quality, safety, and innovation are top priorities ensured that we will preserve a vibrant healthcare system close to home,” added Aucker.

For more than three decades, WellSpan has enhanced access to exceptional care across communities in South Central Pennsylvania and Northern Maryland. In 1990, York and Gettysburg hospitals first came together to form what would become WellSpan Health. Since that time, six other hospitals had combined to create greater value throughout the region. Evangelical Community Hospital’s affiliation with WellSpan provides a similar path.

Two members of the Evangelical Community Hospital Board of Directors were added to the WellSpan Health Board of Directors. Roger Haddon, President and CEO of Sunbury Broadcasting Corporation and past chair of the Evangelical Board, and Timm Moyer, co-founder of Mojo Active, Inc., and most recent chair of the Evangelical Board, were elected to three-year terms.

A separate philanthropic foundation was created as a community pathway for hospital support, similar to WellSpan’s other hospital foundations. This ensures donations from local community members and businesses continue to positively impact healthcare locally.

ORTHOPEDIC DESIGNATION EARNED

DNV Center of Excellence

Evangelical Community Hospital received the Orthopedic Center of Excellence Designation from DNV, affirming its excellence in the provision of diagnostic services, surgical services, and therapies related to orthopedic care.

This designation is unique, as it is the only one of its kind awarded to a hospital in Pennsylvania. It was made possible through the combined efforts of SUN Orthopaedics of Evangelical, the Hospital's inpatient orthopedic teams, and Physical Therapy of Evangelical.

"Evangelical Community Hospital's orthopedic program had long been recognized for delivering consistent, high-quality care through the SUN Orthopaedics of Evangelical practice, the Hospital's orthopedic care post-surgery, and rehabilitation through Physical Therapy of Evangelical," said Kendra Aucker, then President and CEO of Evangelical Community Hospital.

"It was through this close collaboration and comprehensive patient care at all levels that the Hospital was able to provide exceptional care to patients in the Greater Susquehanna Valley. The DNV designation confirmed that we had the equipment, personnel, and training to be

a demonstrated leader in the safe delivery of orthopedic services, and validated the extensive efforts put into enhancing and ensuring the health of our patients."

The DNV Orthopedic Center of Excellence Designation was awarded after achieving certification in at least three advanced orthopedic programs. Through a rigorous inspection process, DNV has certified that Evangelical demonstrated leadership and safe delivery of care in the following areas:

Hip and knee replacement

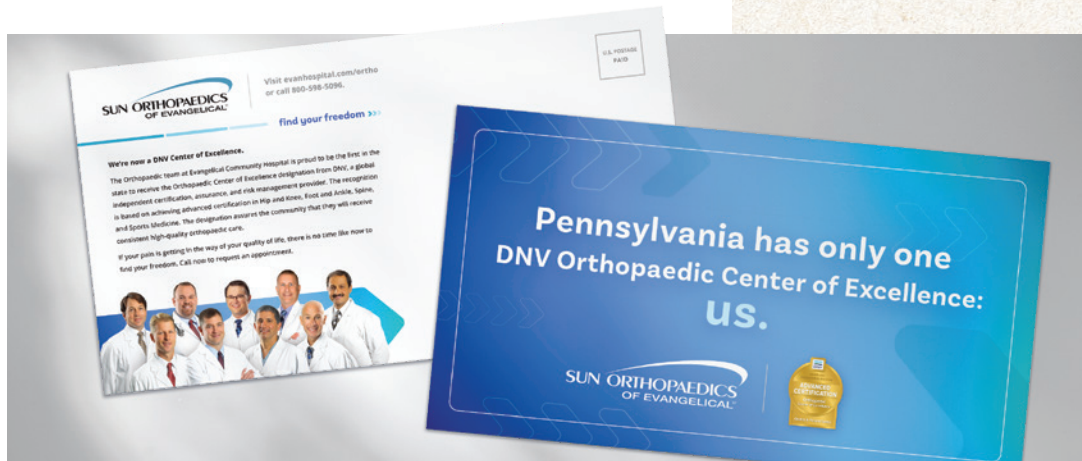

Foot and ankle surgery

Shoulder surgery

Spine surgery

The advanced orthopedic requirements were informed by the guidelines and recommendations of organizations such as the American Academy of Orthopedic Surgeons, the American Association of Hip and Knee Surgeons, the ERAS® Society, the American Society of Anesthesiologists, and relevant requirements of the CMS Conditions of Participation for Hospitals.

Achieving the designation was a pivotal part of the expansion of the orthopedic service line that had been prioritized in the Hospital's strategic plan. In addition to restructuring surgical blocks, adding staff, and increasing access to care, the designation reinforced Evangelical's commitment to provide the best orthopedic care to more people.

The announcement was followed by a regional marketing campaign highlighting the fact that Evangelical Community Hospital was recognized as the only DNV Orthopedic Center of Excellence in the state.

"Achieving this designation demonstrated a commitment to excellence," said Kelly Proctor, President of DNV Healthcare USA Inc. "It highlighted to the community that the Hospital was performing at the highest level."

About DNV

DNV is a global independent certification, assurance, and risk management provider, operating in more than 100 countries. Through its broad experience and deep expertise, DNV advances safety and sustainable performance, sets industry benchmarks, and drives innovative solutions.

EXPANDING HORIZONS

A Year of Growth and New Beginnings

In 2023, Evangelical's commitment to enhancing community healthcare took on new dimensions as we proudly unveiled several state-of-the-art facilities, bringing advanced medical services closer to those who need them most.

August 2023: A New Era in Imaging and Orthopedics

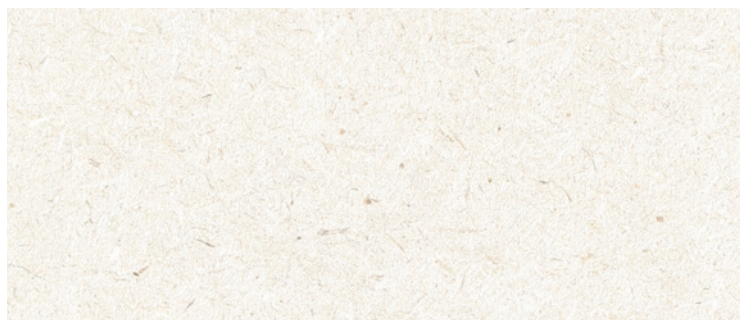

The Susquehanna Valley Mall became more than a shopping destination with the introduction of the Selinsgrove Imaging Center and SUN Orthopaedics of Evangelical-Selinsgrove.

Selinsgrove Imaging Center, located conveniently at the mall, provides a comprehensive array of diagnostic services, including MRI, X-ray, CT/CTA, Ultrasound, and Vascular Imaging. This cutting-edge facility not only offers same-day imaging for urgent care needs but also features a new CT/CTA scanner that combines shorter scan times with superior image quality and patient comfort. With its spacious design, this technology caters to patients of all sizes, easing anxiety and enhancing the overall experience.

Also at the mall, you will find the new SUN Orthopaedics of Evangelical-Selinsgrove, equipped with eight exam rooms, including two specially designed for casting and mobility needs. This new orthopedic center brings specialized care right to the heart of the community, addressing hip, knee, sports medicine, spine, and various orthopedic conditions.

Having these services so close to each other provides quick access to imaging services and streamlines patient care.

Selinsgrove Specialty Clinic is in the former home of SUN Orthopaedics of Evangelical-Selinsgrove at 21 Susquehanna Valley Mall Drive. While the clinic currently specializes in women's health, there is a planned expansion to include additional specialties.

SUN Orthopaedics of Evangelical and Selinsgrove Imaging Center

191 Roosevelt Avenue

Specialty Clinic–Selinsgrove

21 Susquehanna Valley Mall Drive

Specialty Clinic–Williamsport

457 River Avenue

October 2023: Bridging Care in Williamsport

In the fall, we turned our focus northward, where the Williamsport Specialty Clinic opened for business.

Located at 457 River Avenue, this new clinic is a strategic addition to our network, providing crucial surgical consultations and vascular services to residents of Lycoming County.

It serves as a vital access point for those needing surgical procedures at Evangelical Community Hospital in Lewisburg, ensuring that specialized care is both accessible and efficient.

Each new location represents not just a building, but a commitment to the well-being of our communities. As we look ahead, we remain inspired by the positive impact our new facilities have made and are excited for the continued opportunities to serve you with excellence and compassion.

EVANGELICAL HONORS THE COMMUNITY

Recognizing Local Game Changers

On November 14, 2023, Evangelical Community Hospital held its annual Evangelical Honors the Community event at Rusty Rail Brewing Company in Mifflinburg. The event served as a tribute to the community's collaborative efforts with the Hospital in fostering a welcoming environment where people could thrive, work, and raise families.

A strong and vibrant community is supported by various pillars, including basic services and infrastructure, economic development, business and nonprofit organizations, leadership, civic engagement, health, wellness, recreation, arts, culture, and education.

Kendra Aucker, then President and CEO of Evangelical Community Hospital, kicked off the event by reflecting on the upcoming centennial anniversary of the Hospital in 2026.

She noted, "In thinking about this approaching milestone, I am constantly reminded of the vital role the community has always played in the success of the Hospital—allowing the original vision and mission to continue today. We are grateful for the love the community has for Evangelical."

Guest speaker Harvey Edwards, a retired educator, set the tone for the afternoon by sharing his appreciation for the opportunities he has received and his commitment to giving back. Edwards spoke about the importance of paying it forward and inspiring today's youth to understand how giving back can create something larger for everyone and foster meaningful connections.

Lifetime Achievement Award

The Lifetime Achievement Award was presented to **Martha Barrick**, recognizing her over 20 years of volunteer and philanthropic service to Evangelical Community Hospital and the broader community. Barrick has supported community growth for more than 50 years and had served on the Hospital's Board of Directors from 1997 until becoming an Emeritus Board Member in 2014. She also co-chaired the Enhancing the Evangelical Experience Campaign, which raised over \$13 million for the Hospital's expansion, including private rooms and advanced care spaces.

In her presentation, Aucker praised Barrick, stating, "Martha is a trailblazing business owner who excels in fostering collaboration and achieving results."

President's Awards

Michael Daniloff, for his vision, leadership, and mentorship as President and CEO of Evangelical Community Hospital for 28 years.

Transitions of PA, for providing advocacy, empowerment, and education to end patterns of violence and abuse.

Bucknell and Susquehanna universities, for enhancing cultural enrichment, contributing to regional diversity and economic growth, and fostering innovative solutions to local challenges.

Geisinger, for partnering with Evangelical in prioritizing community health and wellness.

Cynthia Peltier, for promoting inclusivity and connecting people with health services and cultural programming through the CommUnity Zone.

Sue Auman, for her efforts at the Union-Snyder Community Action Agency in empowering individuals and families to achieve self-reliance.

Susan Jordan, for her work at Susquehanna Valley Mediation in supporting dialogue and addressing community challenges.

Dorothy Anderson, for her impactful volunteerism, expertise, philanthropic support, and civic engagement.

As the event concluded, Aucker reflected, "The work of building a vibrant community is ongoing. Those honored exemplify the hopeful future we strive for. Despite challenging times, we must remember and celebrate the principles that have shaped our communities."

COMMUNITY BENEFIT

Spotlight: Celebrating a Year of Engaging Youth Activities

Reflecting on the year gone by, it's heartening to look back at the vibrant activities that have connected the community and fostered healthier lifestyles. Evangelical Community Hospital has been at the heart of these efforts, delivering programs that enrich our lives in diverse and delightful ways.

Farm to School Program

One of the standout initiatives of the past year was the Farm to School program, which wrapped up its third year with a flourish. This innovative program, launched in September 2021, has made a significant impact on local students from the Shikellamy and Milton school districts. Over the past year, 197 students from Shikellamy and 153 from Milton had the opportunity to deepen their understanding of where their food comes from and the importance of local agriculture.

The journey began in September with a visit to Dries Orchard, where students sampled five varieties of apples and took home their favorite.

October brought a buzz of excitement as John Hummel, a local beekeeper, introduced the students to the world of bees and honey.

November saw the arrival of Mapes Farm Fresh's cow and calf, offering an up-close encounter with these gentle giants.

In March, Dreamcatcher Farm engaged the students in planting lettuce seeds, which they later saw grow and thrive.

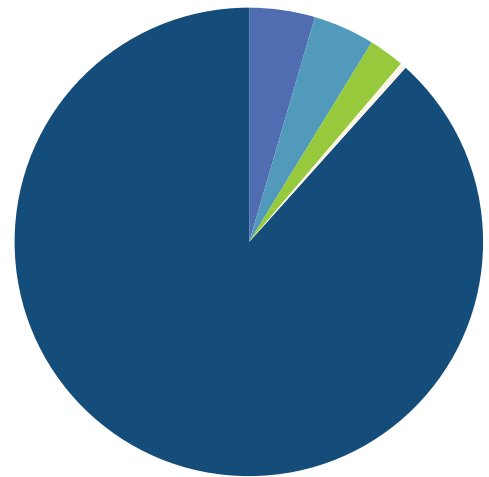

This hands-on experience continued in April with a return visit to Dreamcatcher Farm, where students learned about the growth process and the care required to nurture their lettuce from seed to harvest.

The program culminated in May with a field trip to both Dreamcatcher Farm and Mapes Farm Fresh. Students had the chance to see, feel, and smell the farming activities they had studied throughout the year. They even picked the lettuce they had planted, bringing a taste of their farm experience back to their own kitchens. This immersive experience has fostered a lasting appreciation for local agriculture and encouraged healthier, natural food choices.

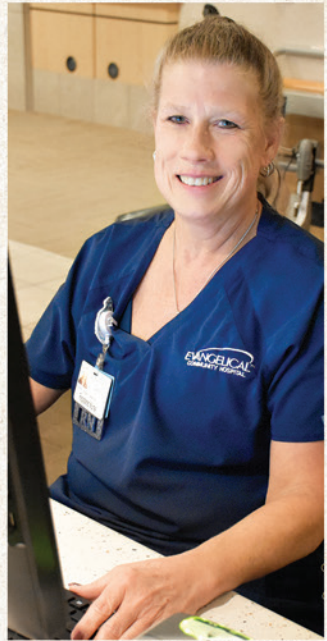

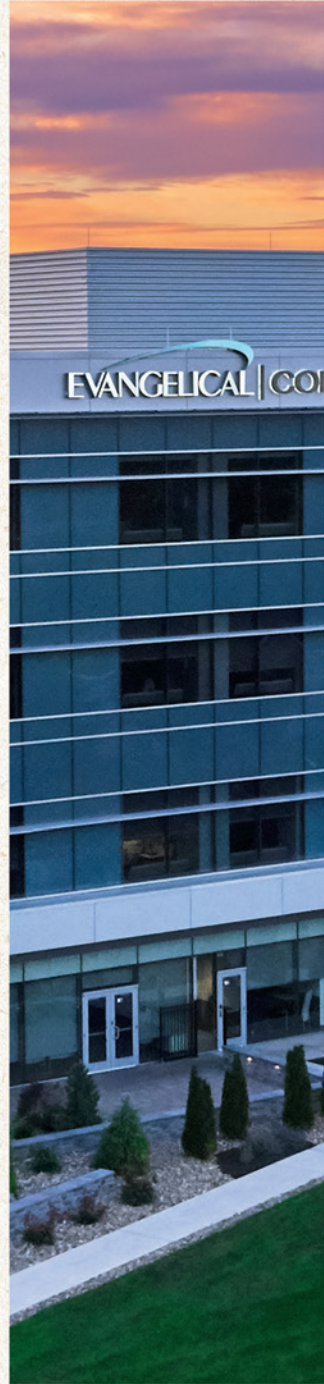

Act 55 Uncompensated Services

- Government Program Shortfalls
\$49,800,494
- Bad Debts (at Cost)
\$2,621,580
- Value of Donations
